Speech is writing, silver is golden.

Offer

COPYWRITING

Corporate identity, writing,
editing

CONSULTING

I find out what makes my
clients special and develop the
best communication tools for
them.

TEACHING

Workshops for writing
effectively and with style. In
German and English.

VOICE-OVERS

Advertising, film, video, TV,
radio, e-learnings, phone
messages ... German is my
first language, so in English I
do have a bit of an accent.

About me

I have been **writing for 20 years** and no text genre is foreign to me.

My strength is identifying the core of a topic and putting it into words in a memorable way.

Tell me what makes you tick as an entrepreneur and I'll develop the best way to present it.

My additional background in **video and film production** as well as in **conference design** and **design thinking** allows me to break new ground by approaching communication on many levels.

Milestones

- ❑ 3 years **project and community management and organisation of pan-European conferences** in a consulting company for political innovation
- ❑ 4 years communication, (chief) editing, conception and project management in **PR and advertising agencies**
- ❑ 4 years **lecturer "Writing Lab"** at the International Management Center Krems, Austria
- ❑ **10 years self-employed** as "Wortfachgeschaeft" (copywriter, translator, editor, voice-over)
- ❑ 6 years **editor for film and TV** (e.g. for ORF, ATV, Sat1 & Pro7 Austria)
- ❑ **Voice-over training** at the Schule des Sprechens, Vienna
- ❑ 3 years **contemporary dancer** (incl. studies), as well as freelancer for **MTV** in London, UK
- ❑ 3 years of studies in communication sciences with focus on **TV, radio and film production** in California, USA
- ❑ 1 year study of **Comparative Literature and English** and American Studies in Vienna, Austria

Thank you for your attention.
